

# International Technology Roadmap for Semiconductors 2002 Update

## ITRS

Key Changes

Foreword

Table of Contents

Introduction

System Drivers/Design

Test & Test Equipment

Process Integration, Devices & Structures  
(includes Emerging Research Devices)

Link to  
2001 Edition

Errata

Front End Processes

Lithography

Interconnect

Factory Integration

Assembly & Packaging

Environment, Safety & Health

Yield Enhancement

Metrology

Modeling & Simulation

Jointly Sponsored by

**EECA ESIA** European Semiconductor Industry Association

**JEITA** Japan Electronics & Information Technology Industries Association

**TSIA** Taiwan Semiconductor Industry Association

**KSIA** Korea Semiconductor Industry Association

**SIA** SEMICONDUCTOR INDUSTRY ASSOCIATION Semiconductor Industry Association

Organized by

**SEMATECH** International SEMATECH
